

Machining

- ✓ CNC Turning
- ✓ CNC Milling
- ✓ Including quick turn and big bore machining
- ✓ Minimum OD thickness 1in

Fabrication

- ✓ Bending / Forming
- ✓ Built-to-print fabrication
- ✓ Custom jigs to maximize production
- ✓ Experienced in fabrication with Hydraulics and Electrical Machinery
- ✓ Materials: Aluminum, Carbon Steel, Copper, Stainless Steel
- ✓ Plasma Cutting
- ✓ Powder Coating
- ✓ Bead Blasting
- ✓ Welding - MIG / TIG
